§ Flight Operational Quality Assurance Program: Prohibition against use of data for enforcement purposes.

(a) *Applicability.* This section applies to any operator of an aircraft who operates such aircraft under an approved Flight Operational Quality Assurance (FOQA) program.

(b) *Definitions.* For the purpose of this section, the terms—

(1) *Flight Operational Quality Assurance (FOQA) program* means an FAA-approved program for the routine collection and analysis of digital flight data gathered during aircraft operations, including data currently collected pursuant to existing regulatory provisions, when such data is included in an approved FOQA program.

(2) *FOQA data* means any digital flight data that has been collected from an individual aircraft pursuant to an FAA-approved FOQA program, regardless of the electronic format of that data.

(3) *Aggregate FOQA data* means the summary statistical indices that are associated with FOQA event categories, based on an analysis of FOQA data from multiple aircraft operations.

(3) Procedures for providing the FAA with aggregate FOQA data;

(4) Procedures for informing the FAA as to any corrective action being un-

(d) *Submission of aggregate data.* The operator will provide the FAA with aggregate FOQA data in a form and manner acceptable to the Administrator.

(e) *Enforcement.* Except for criminal or deliberate acts, the Administrator will not use an operator's FOQA data or aggregate FOQA data in an enforcement action against that operator or its employees when such FOQA data or aggregate FOQA data is obtained from a FOQA program that is approved by the Administrator.

(f) *Disclosure.* FOQA data and aggregate FOQA data, if submitted in accordance with an order designating the information as protected under part 193 of this chapter, will be afforded the nondisclosure protections of part 193 of this chapter.

(g) *Withdrawal of program approval.* The Administrator may withdraw approval of a previously approved FOQA program for failure to comply with the requirements of this chapter. Grounds for withdrawal of approval may include, but are not limited to—

(1) Failure to implement corrective action that analysis of available FOQA data indicates is necessary in the interest of safety; or

(2) Failure to correct a continuing pattern of violations following notice by the agency; or also

(3) Willful misconduct or willful violation of the FAA regulations in this chapter.
